

KIT POP-UP

La fórmula kit permite combinar cualquier pantalla. Vea los ejemplos con cuerdas de nuestra colección tanto en formas (p. ej. BANYO, DRUM, UKELELE y KORA), como en colores y tamaños o disponiendo pantallas de los POT. Diseñe conjuntos que iluminen varias zonas de la estancia. Las bases se suministran de una a seis salidas para cables por la parte inferior o lateral, con los que se consigue un efecto visual creativo e innovador. También disponible como apliques con brazos fijos o móviles para dirigir la luz hacia donde se desee

Let your imagination run away! Easy to combine and never-ending options of colors, designs and sizes. Each solution is unique! KIT to combine from 1 up to 6 lampshades. Choose lampshade number, model and color. Surface canopy (with lateral or inferior cable exit) and track system option too (lampshades to be ordered additionally). Also available as wall brackets with fixed or mobile arms to direct the light where desired.
